

### Multi Clean Dry Carpet Cleaning System

Fibre-deep cleanness for carpets.

#### Multi Clean 400

**Product Description** Effective combination machine with counter - rotating brushes for the intensive cleaning of textile floor types with That's Awesome CC8/12 Active granules. Massages the granules deeply into the pile and soaks them up again after the cleaning with the help of the special dirt trap container . Ideal cleaning effect.

- Special removable dirt trap container for soaking up the granules loaded with dirt after cleaning; therefore massaging and soaking with only one appliance.
- Ergonomically shaped handle for user - friendly operation
- Different with optimised length and thickness of bristles for an ideal cleaning experience
- Rollers for comfortable transport and storage of the machine

Is this your floor problem?

- extremely frequented floors result in heavy wear and hard use
- the floor no longer looks clean and cared for
- too much time, work and costs are required for cleaning
- it isn't possible to walk on the floor during the cleaning process
- longer business interruptions aren't acceptable

Then the Carpet life System is your solution:

- guarantees fibre-deep cleaning – thanks to effective brush-mechanics and special cleaning granules
- enables the floor to be walked on without interruption during the cleaning process
- economical in use, friendly to the environment and extremely thorough
- is easy to apply and use
- saves 80% water compared with conventional wet cleaning
