

GUM N GOO REMOVER - INSTRUCTION SHEET

REMOVING GUM & WAX FROM CARPETS etc

1. Using **SCRAPER TOOL** remove any loose gum (or other) and pierce remaining hardened deposit with **SCRAPER TOOL** (being careful not to damage fabric underneath).
2. Squeeze out **GUM N GOO REMOVER** over deposit and agitate with **SCRAPER** blade in a backwards/forwards motion.
3. As deposit starts to dissolve remove with **SCRAPER** and discard onto **PAPER TOWEL** or similar
4. When all stickiness is removed, wipe away any remaining mark with **GUM N GOO** or **THAT'S AWESOME STAIN REMOVER** and a dry **TOWELLING CLOTH**.

REMOVING GLUE, STICKY TAPE etc FROM HARD SURFACES

1. Apply **GUM N GOO REMOVER** liberally over sticky area (leave to soften for 2-5 min)
2. Using **PLASTIC SCRAPER** or similar (credit card is ideal) work **GUM N GOO REMOVER** into sticky residue with circular motions from the outside in.
3. Scrape away dissolved deposit and wipe onto paper towel to discard
4. Apply more **GUM N GOO** or **STAIN REMOVER** to wipe remaining marks with a dry **TOWELLING CLOTH** until completely free from stickiness

WINDOW & VEHICLE STICKERS etc

1. Using **HEAT GUN** or similar, heat sticker and peel off surface (being careful not to cause damage to paintwork or window through overheating)
2. For remaining sticky residue, follow previous steps 1- 4 .
3. For extra stubborn residues, **GUM N GOO** may be used with car polish in approx 3:1 ratio. Mix on the surface and continue as with steps 1-4.

ALSO REMOVES: grease, blu-tac, sillastic, ink, lipstick etc

That's Awesome products are Non-Toxic, Non-Flammable & completely Biodegradable. However as with all cleaning products, keep out of reach of children. Use in well ventilated room. Wear protective gloves if prone to sensitive skin. Avoid eye contact or ingestion wash eyes thoroughly and seek medical advice if any irritation persists.
