Non Toxic & Biodegradable

That's Awesome BBQ Cleaner

is completely safe for use on: stainless steel, BBQ plates, oven glass, plastic furniture, fridge interiors, microwaves etc. It is formulated using enzymes and does not have any chemical or detergent residue. Safely use your BBQ and Ovens immediately after cleaning.

No need to rinse - saving precious water!

DIRECTIONS:

GENERAL

BBQ & Outdoor Furniture Cleaning:

- Step 1.** Remove food scraps before cleaning and then spray **That's Awesome BBQ Cleaner** over small surface area.
- Step 2.** Scrub stubborn, in-ground grease with scourer.
- Step 3.** Wipe off with dry towelling cloth (no rinsing required)

HOT PLATES

Hydrocarbon and Rust Removal:

- Step 1.** Ensure plate is completely clean and grease free (follow above steps).
- Step 2.** Spray **That's Awesome BBQ Cleaner** onto burnt plate (allow to soak for a few minutes for thick hydrocarbons).
- Step 3.** Scrape off all thick burnings with BBQ Scraper and dry with cloth or paper towel.
- Step 4.** To remove remaining trace hydrocarbons and rust, spray plate again with **That's Awesome BBQ Cleaner**, scrub in circular motion with tuff. Wipe dry. (Rinse scrub during process).

OVEN CLEANING

- Step 1.** Spray inside oven and oven glass and leave for approx. 3 minutes in oven; approx. 1 minute on oven glass.
- Step 2.** Scrub with scourer and wipe away with clean towelling cloth.

Keep out of reach of children

Always use in a well ventilated room. Wear protective gloves if prone to sensitive skin. Avoid eye contact and ingestion. If swallowed seek medical advice. In case of eye contact flush thoroughly with water.
