## That's Awesome Stain Remover

is completely safe for use on carpets, upholstery, walls & doors. May also remove sticky tape residue off most surfaces. **That's Awesome Stain Remover** is approved for use onboard an International Airline Company. It is formulated using natural surfactants and does not contain harmful chemicals or detergents (*safe to use on most surfaces with no sticky detergent to wipe away*).

### No need to rinse - saving precious water!

#### DIRECTIONS:

##### **CARPETS** - Blot up any spillage before cleaning:

- Step 1.** Spray **That's Awesome Stain Remover** directly over stain in small section.
- Step 2.** Using dry toweling cloth, rub slowly in a forward/backwards motion, one small section at a time (*do not rub hard or in circular motion as this may damage the carpet fibre*).
- Step 3.** Check cloth for transfer of stain, then turn cloth and continue (*repeat steps 1 & 2 if necessary*).

##### **WALLS & DOORS** - Scuff Marks:

- Step 1.** Mist spray **That's Awesome Stain Remover** over approx. 1m<sup>2</sup> on walls & doors for daily grime, then wipe with dry toweling cloth (*repeat if necessary*).
- Step 2.** To remove scuff marks, spray directly on marks and, using light scrub or similar, lightly scrub to remove. Wipe with dry toweling cloth. (*Check first in inconspicuous area for paint transfer*).

##### **UPHOLSTERY** - Fabric or Macro Suede, etc.:

- Step 1.** Vacuum upholstery.
- Step 2.** Spray liberally over stains of section of upholstery (*e.g. seat pad or arm rest*).
- Step 3.** Brush area with soft brush then scrape fabric (*gently*) with plastic card, gum tool or similar.
- Step 4.** Rub out dirt/stain with dry toweling cloth (*repeat if necessary*).

### Keep out of reach of children

Always use in a well ventilated room. Wear protective gloves if prone to sensitive skin. Avoid eye contact and ingestion. If swallowed seek medical advice. In case of eye contact flush thoroughly with water.
