2. Product uses 3. Hazards identification 4. First Aid measures 5. Fire fighting methods

<p>Everyday antibacterial cleaner Is a suspension of a sanitizing compound, bacterial spores, surfactants, in a aqueous solution. used for cleaning and sanitizing kitchens bathroom fixtures, sinks, & other dirty and contaminated surfaces, having the advantages of being a good surface cleaning agent and a good sanitizer, which also is providing the long-term effect of beneficial bacteria that control pathogens and removes waste particles both on surfaces and in the sewage system associated with the surface being cleaned and sanitized.</p>	<p>Hazard category... None Potential issues..... None known Risk phases..... None Safety phase..... Do not breathe Use well ventilated area Skin contact..... May cause degreasing of skin, dryness or cracking Eye contact..... Irritation due to contact Inhalation..... May cause irritation of nose and mouth Ingestion..... May cause gastric irritation</p>	<p>General Information No special measures required Skin Contact... Irrigate thoroughly with cold water. Seek medical attention if symptoms persist Eye contact... Irrigate thoroughly with cold water keeping eyelids open to ensure effective washing Seek medical attention if symptoms persist Inhalation... Remove person to fresh air, loosen clothing and seek expert help. Ingestion... Small amounts: wash mouth out with water and give lots of water to drink. If large amounts ingested medical advise should be sort Advise to Doctor... No Specific antidote treatments should be based on observed signs if signs of distress Scheduled poisons... Additional assistance can be provided from the poisons information Centre for each Australian Capital State Phone 13 11 26</p>	<p>Lower explosive limit... Not Applicable Basic fire fighting guidance... May present a slip hazard Anticipated hazardous product of combustion... Not applicable Extinguishing media... Use extinguisher to suit the cause of fire</p>

Date of issue: January 2019

9. Physical and chemical properties	10. Stability and Reactivity	11. Toxicology information
-------------------------------------	------------------------------	----------------------------

Appearance..... Transparent colored liquid
Odour.....Lemon Myrtle
PH..... Neutral
 Boiling point, Melting point, Flash point, Ignition temperature, Vapour pressure, Density and Solubility are not relevant to safety

This product is stable under normal conditions of use.
Conditions to avoid..... None
Materials to avoid..... None
Hazardous Decomposition products..... None

Inhalation of aerosols or dust resulting from inappropriate handling may induce sensitization and may cause allergic reactions in sensitized individuals. Prolonged skin contact may cause minor irritation this preparation is non-toxic

12. Ecological information	13. Disposal Considerations	14. Transport information
----------------------------	-----------------------------	---------------------------

Ecotoxicity
Fish.....
 Low toxicity: LC/EC/IC50>100mg/l
Aquatic Invertebrate.....
 Low toxicity; LC/EC/IC50>1000mg/l
Algae.....
 Expected to have low toxicity: LC/EC/IC50>1000mg/l
Micro-organisms....Low toxicity: LC/EC/C50>1000mg/l
 Which classifies the preparation as non-dangerous to the environment
 The preparation is Bio-degradable

No special disposal method required, except that in accordance with current local authority regulations

There are no specific transportation pre-cautions required. This product is not classified as a dangerous substance under the classification, packaging and labeling of dangerous substances regulations

15. Regulatory information	16. Other information
----------------------------	-----------------------

Dangerous Substances Directive 67/548 /EEC and Dangerous Preparations Directive 1999/45/EC:

These regulations do not apply to this product and therefore the product does not to labeled in accordance with EC laws

Information on label... S51 Use only in well ventilated areas
S26 In case of contact with eyes rinse immediately with plenty of water and seek medical advise

Recommended restrictions on use:..... Not Known
