## That's Awesome Tile & Grout Cleaner

is completely safe for use on all floor & wall tiles. Removes soap scum off shower screens, baths and basins and works as an effective window cleaner. Formulated with natural enzymes, there are no harmful chemicals or fumes and leaves no detergent residue. Ideal to use with **Microfibre Shower Eraser**.

### DIRECTIONS:

#### SHOWER & BATHROOM TILES

- Step 1.** Spray That's Awesome Tile & Grout Cleaner on small area (*approx. 1m<sup>2</sup>*).
- Step 2.** Brush tile & grout lines with soft cleaning brush or microfibre pad.
- Step 3.** Wipe dry with towelling cloth or similar (*do not need water to rinse*).

#### SHOWER GLASS SCREENS

- Step 1.** Spray That's Awesome Tile & Grout Cleaner on approx half to shower glass.
- Step 2.** Rub shower glass with Shower Eraser or soft brush (*do not need water to rinse*).
- Step 3.** Wipe dry with squeegee or dry toweling cloth and polish to streak-free finish with dry microfibre cloth (*repeat if necessary*).

#### Caution:

Not for human consumption or for use on the human body. Do not use on coarse or rough surfaces as it may shorten the pad's lifespan. Spot test on all surfaces before use to ensure no damage or discolouration. Not recommended for use on surfaces that are polished/glossy or on finishes that are stained dark. Take care not to use around electrical applications as excess moisture may cause shock.

#### Keep out of reach of children

As with all cleaning products, keep out of reach of children. Always use a well ventilated room. Wear protective gloves if prone to sensitive skin. Avoid eye contact and ingestion. If swallowed seek medical advice. In case of eye contact, flush thoroughly with water.
